Energy**

Our Projects

Our Projects aim to build a healthy, prosperous, sustainable, and happy way of life for all Lebanese.

REGIONS OF PROJECTS

1. Nabatieh – Nabatieh District
2. All Villages - Aley District
3. Al-Khalwat – Hasbaya District
4. All regions across Lebanon
5. All regions across Lebanon
6. Bint Jbeil – Bint Jbeil District

**Distribution of In-Kind
Donations
in
Nabatieh - Nabatieh
District**

Status: Done

Distribution of In-Kind Donations

1. A humanitarian response activity implemented by Istdama to support populations affected by the ongoing war and crisis in South Lebanon
2. The project focuses on distributing in-kind donations
3. Distributed items include essential goods and supplies addressing urgent needs of affected families and individuals
4. The activity targets displaced families, low-income households, and other vulnerable groups directly impacted by hostilities
5. Distribution is carried out through a community-based approach in coordination with local activists and grassroots actors
6. Strong partnerships with local NGOs and regional associations to ensure effective outreach and accountability
7. The process prioritizes transparency, needs-based targeting, and efficient use of available humanitarian resources

Municipalities Training and Capacity Building Project

1. A nationwide capacity-building initiative implemented across multiple regions in Lebanon to strengthen the role of municipalities and local governance
2. The project delivered one-day, region-specific training sessions tailored to the needs of each municipality
3. It primarily targeted youth, engaging them as key actors in local development and municipal affairs
4. Training was delivered by experts, speakers, and local NGOs based on their areas of specialization
5. Key topics included municipal roles and responsibilities, youth and women engagement, disaster management, and local economic development
6. The project promoted collaboration among municipalities, civil society, and local communities
7. It encouraged youth participation in municipal life, including elections and development initiatives
8. Conducting a training session for educational and administrative staff on personal hygiene guidelines, the importance of consuming clean water, and proper sanitary practices

Municipalities Training and Capacity Building Project in all villages across Aley District

Status: Done

**Solar Energy System for
Al-Khalwat Municipality
in Al-Khalwat – Hasbaya
District**

Status: Done

Solar Energy System for Al-Khalwat Municipality

1. A sustainable energy project implemented by Istidama to support essential municipal services in Al-Khalwat, Hasbaya District
2. The project involved installing a solar energy system on the municipality building and public hall
3. It ensured continuous operation of administrative services and the drinking water filtration system
4. The initiative addressed frequent electricity outages affecting rural municipalities
5. It reduced dependence on private generators and lowers fuel and operational costs
6. The project promoted clean energy solutions and environmental sustainability
7. Beneficiaries include approximately 2,700 residents of Al-Khalwat and neighboring villages

Hygiene and Wash Awareness in Schools

1. An ongoing school-based initiative implemented by Istdama in different regions of Lebanon
2. The project targets pre-school and elementary students, teachers, and school staff in vulnerable and conflict-affected areas
3. It promotes hygiene awareness and healthy behaviors, with a focus on hand-washing and sanitation practices
4. Schools receive essential hygiene and cleaning supplies to support daily sanitation routines
5. One-day interactive training sessions combine learning, play, and hands-on demonstrations
6. Visual awareness campaigns reinforce hygiene habits within the school environment
7. The project contributes to safer, healthier, and cleaner learning spaces for children

**Hygiene and Wash
Awareness in Schools
across all regions in
Lebanon**

Status: Done

**MOSA - Youth Camp:
“Youth Integration &
Active Citizenship”
across all regions of
Lebanon**

Status: Done

**MOSA - Youth Camp: “Youth Integration & Active
Citizenship”**

1. An ongoing project involving a multi-regional youth camps designed to promote active citizenship, social cohesion, and community engagement
2. The project brings together Lebanese youth aged 17-32 from diverse regions and backgrounds
3. It provides a safe space for dialogue, interaction, and collaboration across social and cultural differences
4. Activities include workshops, practical exercises, cultural activities, and community-based learning
5. Core themes include governance, volunteering, employment, agricultural, and local development
6. The camp builds leadership, critical thinking, and teamwork skills among participants
7. It supports the creation of youth-led initiatives and long-term cross-regional youth networks

Rehabilitation of Bint Jbeil Electrical Connection

1. Contributed to the cost of supplying and installing the required materials
2. Supported the provision of manpower of the project
3. Assisted in the rehabilitation of the electrical connect network in Bint Jbeil

**Rehabilitation of Bint
Jbeil Electrical
Connection Network in
Bint Jbeil District**

Status: Done
